PSHE Association Mapping

SCARF covers the PSHE Association's Programmes of Study content for Key Stages 1 and 2.

The new DfE requirements for Relationships Education and Health Education (statutory from September 2020) don't cover all aspects of PSHE education. Our [medium term planning and progression maps](#) show how SCARF covers both the DfE statutory requirements and the PSHE Association's advisory content, which together ensure a comprehensive, spiral curriculum for PSHE education.
