

# Home Discovery Journal

These activities are designed to encourage you to look at the world around you, to be creative and make choices when deciding how to present your discoveries. You could write, draw, paint, use photographs or ICT to record. If you complete a 'making' project, please take a photo and either email to your class teacher. We encourage you to work with members of your family to complete any activities that you choose. There will be an opportunity to share this with the class.

## Oak Class – Discovering Dartmoor

Complete at least one activity by **Wednesday 25<sup>th</sup> May 2022**

### ❖ Literacy

Can you write a spell in the form of a poem that the witches chant in The Legend of the Bowerman's Nose when they turn Bowerman into stone?

### ❖ Maths

Can you draw or make an analogue clock face using roman numerals instead of numbers?

### ❖ Art

Can you make/ paint or draw a close up of a flower?

### ❖ Geography

Can you draw a 'bird's-eye view' of your garden?

Challenge: add a grid and co-ordinates to your favourite place in the garden.

### ❖ Science

<https://schoolgardening.rhs.org.uk/Resources/Spotter-Guide/Pollinating-Insects-Spotter-Guide>

Have a look at this website - can you spot any pollinating insects in your garden or local area?

Don't forget to read regularly (recording it in your reading diaries) and practise your times tables using TTRS.

You will also be given weekly spellings to learn and practise on Spelling Shed.
