SCARF additional resources

Teachers who found SCARF's additional resources useful

CLE & SCARF

"PSHE is such an important area of learning and I can safely say that this is the most relevant and engaging scheme I have used for PSHE in 21 years of teaching!"
Essex teacher

"SCARF has everything you could ever need."
Aberdeenshire teacher

"SCARF encompasses all aspects, the programs you have written under pin the PSHE principles perfectly."
Bradford teacher

Teacher feedback

"It's an easy to implement resource which covers all aspects and empowers staff in teaching PSHE while supporting and developing children's understanding and skills."

East Midlands Primary Teacher

"It has become a whole school approach for us and is weaved and used throughout all of our curriculum. I have already recommended this to a teacher in another school."

Essex & East Herts Primary Teacher

"The children were able to look in depth at how their bodies work and how they need to look after them."

Bristol Primary Teacher

"The workshops are always well delivered, keep the children engaged and are so informative for them."

Gloucestershire Primary Teacher

"As a non-specialist the SCARF provides a clear programme for learning for us as a school and support for me as Lead."

Bradford Primary Teacher

"Excellent teaching of healthy body and keeping your bodies safe."

Cambridgeshire Primary Teacher

“There was an excellent discussion with the children about how to look after their mental wellbeing which is extremely important for the children.”

Hillingdon Primary Teacher

“I believe the sessions are well delivered and are appropriate for their age. I remember these session when I was in school and believe they have an impact.”

North West Primary Teacher

“The whole-school Scarf provides easily accessible and wonderful resources on mental health which can be incorporated into lessons!”

London & Surrey Primary Teacher

“The delivery of the Life Space was incredibly professional and well planned. The children love the visit to the school every time and it sparks great classroom discussions.”

Bromley Primary Teacher

“The SCARF lessons provide an all round approach to understanding ourselves and others. The program builds up each year so that the children come back to the same concepts but are allowed to develop them further.”

Lancashire Primary Teacher

“Knowing that the resources are being used across the school makes me confident as PSHE leader that topics are being covered and it gives confidence to my teachers who may otherwise feel unsure about covering certain topics.”
